

All posters shall be prepared entirely in English.

Each author is requested to indicate “title”, “authors’ names” and “authors’ affiliations” on the top right of the poster board within an area of 70 cm wide × 20 cm high.

A presentation number board to be put on the top left of each poster will be prepared and attached by the Organizing Secretariat.

Poster contents should be arranged to describe the “objective”, “methods”, “results” and “conclusion”.

The poster size should be 90 cm wide and 200 cm high. Layout of poster contents shall be decided at authors’ discretion.

The typeface used on posters should be at least 18 mm high so that the content can be read from a distance.

Tables and figures should likewise be of an appropriate scale, with text large enough to be easily read.

Posters shall be attached to poster boards using thumbtacks, which will be provided by the Organizing Secretariat. No paste, glue, staples and/or nails are permitted to use.
